WELCOME to Blenheim Schools...

Education for every child. The world over.

We are committed to enabling outstanding futures for all children through a portfolio of inclusive, high-quality independent and international schools. Blenheim Schools deliver a personalised, non-selective approach that empowers pupils of all abilities to thrive. At the core of our ethos is the Tapestry framework, a six-strand blueprint fostering a learning mindset, global awareness, health and wellbeing, digital literacy, sustainability, and entrepreneurship.

Rejecting traditional entrance exams, we welcome pupils through a bespoke admissions process that celebrates individuality. Flagship institutions like Beech Hall School Riyadh exemplify our vision, setting new benchmarks for inclusive, future-focused education on a global stage.

Outcomes
First Group

From the Headmaster, Mr James Allen

Beech Hall is an all-ability independent school for boys and girls aged 5 to 18 years. Situated in a beautiful sixteen-acre site on the edge of the Peak District, housing two listed buildings, playing fields and swimming pool, Beech Hall are proud to be able to provide a truly child-centred approach to education.

Small classes and a focus on the individual child mean that quality teaching and learning lead to success. However, we believe opportunities beyond the curriculum are just as important as those in the classroom as we seek to provide a truly unique curriculum for every child. At Beech Hall we have the highest standards of expectation for our children and the quality to which we believe they are entitled. This means that processes to ensure individual achievement are rigorous, and opportunities for pupils to participate in the widest variety of ways are multiple and varied.

Beech Hall has areas of curriculum strength that include performing arts and sports. This includes a swimming team that travels around the world to complete swimming expeditions that also includes the English Channel Swimming. The Channel Swim Squad has enabled pupils to swim the English Channel in relay for five consecutive years, including a record time of 11 hours and 32 minutes in August 2025. Overseas opportunities have included the 20 Bridges relay swim around Manhattan, New York and both relay and solo swims across the 14km Bonifacio Strait from Corsica to Sardinia.

A balanced focus on academic attainment, sporting opportunities, emphasising individual strengths and celebrating traditional values are at the core of everything that is important to us at Beech Hall, with the ultimate focus on enabling every pupil to become the very best version of themselves, growing confidence in their own unique individuality.

Pupils in the junior school and up to Year 8 receive a broad and balanced curriculum which includes English, Maths, Science, History, Geography, Art, Drama, Music, ICT, German/Spanish, PE & Games (including swimming), PSHE/RE, and Food Technology. In addition:

- Pupils from Reception to Year 7 take part in a weekly Forest School/Survival Skills lesson
- Year 5 to Year 8, weekly Design & Technology
- Year 6 to Year 8 weekly Philosophy, RE & Ethics

The vast majority of pupils will sit GCSE, and their options are chosen in Year 8 for a 3-year programme of study. The school opened its 6th Form in September 2024.

The school was acquired by the Outcomes First Group in January 2025 and, as a Blenheim School, has enjoyed substantial investment since that time, a commitment that will continue as the school continues to grow and flourish.

Our vision is for all Beech Hall pupils, their families and colleagues to wake up and bounce into school, excited to learn and work in a genuinely inclusive and respectful learning environment that empowers every child to believe, achieve and become the very best version of themselves.

We believe in our motto - taken from the Latin *possunt quia posse videntur* - we achieve because we believe we can, and our four school values of **kindness, respect, integrity** and **ambition** are at the heart of everything that we do.

Extraordinary opportunities, shaped by individual journeys
Because no two children learn - or thrive - in the same way

Isn't it time for something different?

Why not come and see for yourself?

Summary of the Role

Beech Hall School is seeking to appoint a part-time Science Technician to its growing and evolving Science department which currently comprises 4 teachers, 3 laboratories and a separate Science classroom.

The successful candidate will work closely with the recently-appointed Head of Science (September 2025) and her team to support the delivery of Biology, Chemistry and Physics across the school by preparing practical resources, maintaining equipment and ensuring a safe laboratory environment.

As the sole technician in a small school, the role requires strong organisation, flexibility and the ability to manage priorities independently across all three science disciplines.

Key responsibilities:

- Prepare, set up and clear away equipment and materials for practical lessons, including up making up solutions
- Ensure all practical work complies with health and safety regulations, including COSHH by following the guidelines from CLEAPSS
- Maintain safe storage and disposal of chemicals and equipment
- Monitor, order and manage stock, resources and departmental budget alongside the Head of Science
- Maintain, clean and carry out basic repairs of laboratory equipment
- Support teachers with practical activities and resource planning where required
- Keep accurate records of inventory, safety checks and practical requirements
- Organise and maintain prep rooms and storage areas efficiently
- Work independently to prioritise tasks across Biology, Chemistry and Physics

Fulfil wider professional responsibilities

- Demonstrate a commitment to personal, professional development
- Show commitment to the process of performance review and appraisal
- Commit to the agreed values, beliefs and behaviours of the school
- Carry out any such other duties as may be reasonably required by the Headmaster or other senior members of staff

Pastoral duties:

- Liaise with the Deputy Head (Pastoral) & Designated Safeguarding Lead

Whilst every effort has been made to explain the main duties and responsibilities of the post, each individual task undertaken may not be defined. All staff are expected to comply with any reasonable request from a senior member of staff to undertake work of a similar level that is not specified in this job description. It is understood that areas of responsibility are from time to time subject to review and are negotiable in the light of the needs of the school and the professional development of the staff.

All staff are expected to attend staff briefings before school and staff meetings after school.

Metals with memory
• Materials detective
• Chopping chocolate

The ideal candidate will bring all or most of the following:

Qualifications:

- Qualifications and/or experience relevant to the role - Science A level or equivalent or higher
- Evidence of professional development relevant to the role

Essential Experience:

- Strong organisational and time management skills.
- Ability to work independently and manage a varied workload.
- Good attention to detail and commitment to health and safety.
- Effective communication and teamwork skills.
- Basic ICT skills (e.g. email, spreadsheets).
- Experience in a school laboratory or similar setting.

Desirable Experience

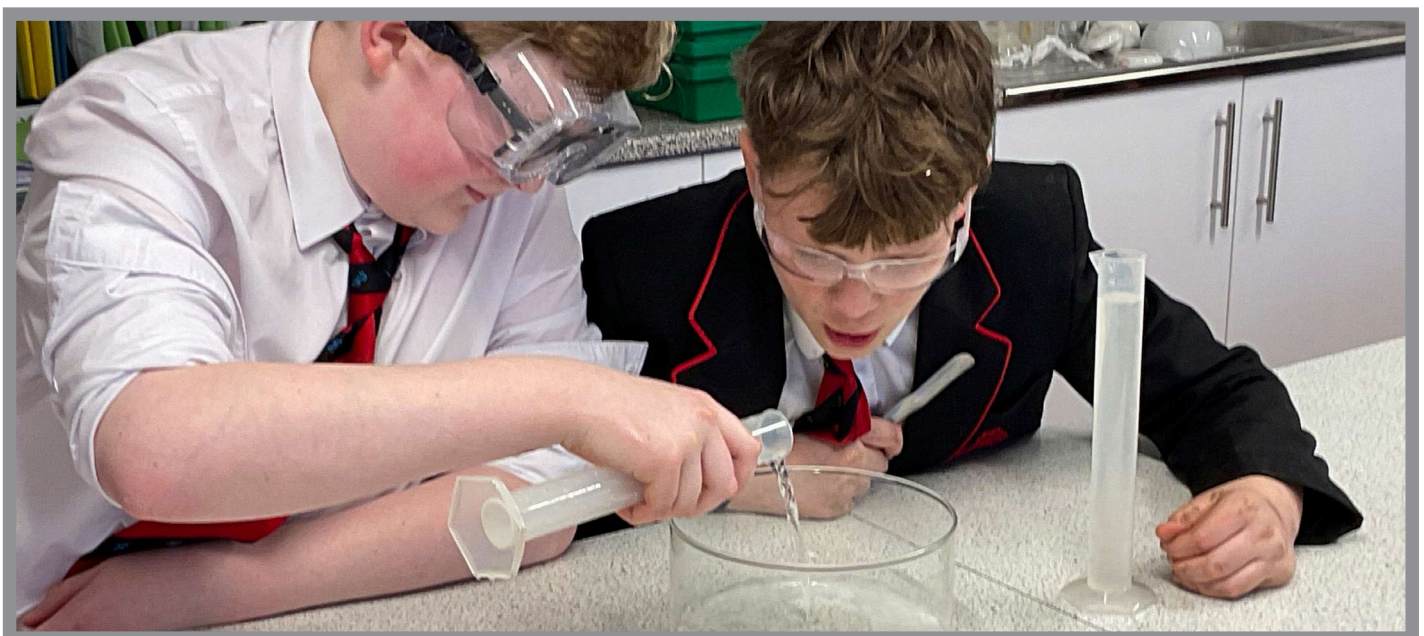

- Knowledge of laboratory safety procedures
- Experience supporting more than one science subject

Personal attributes:

- Able to juggle a varied workload
- Able to confidently role model the school's values
- Flexible with an excellent work ethic

Attitudes:

- That put children at the heart of everything that we do
- Engage with the school as a learning community, establishing and fostering links with parents, colleagues, external stakeholders and the local community

Safeguarding:

The post-holder is responsible for promoting and safeguarding the welfare of children and young people for whom they are responsible, or with whom they come into contact, and will adhere to and ensure compliance with the School's Safeguarding (Child Protection) Policy at all times. If in the course of carrying out the duties of the post the post-holder becomes aware of any actual or potential risks to the safety or welfare of children in the School s/he must report any concerns to the School's Designated Safeguarding Lead or to the Headmaster.

What can you expect from Beech Hall School and Blenheim Schools?

The salary for this role will be commensurate with the appointee's experience.

- A beautiful school set in 16 acres of land, with a mix of traditional and modern teaching facilities
- Continuing professional development
- Twice-weekly morning staff briefings in which pupils are at the heart of our discussions
- Excellent transport links to both Manchester and London
- The opportunity to take part in the wider community of the school
- Receptive and supportive Senior Leadership Team and outstanding support from Blenheim's team of experienced Directors and other Leaders
- Friendly and supportive colleagues
- Open and positive working environment in which hard work and commitment are valued to the highest degree
- Free use of the school's fitness suite and swimming pool
- Lunch and tea/coffee
- On-site parking
- Company pension
- Fee remission

The Application Process, including deadlines:

A completed application, together with a covering letter demonstrating why you would like this position, and why you would like to work at Beech Hall, should be submitted to the Headmaster's PA no later than 12 noon on **Thursday 14 May 2026**.

Shortlisting will take place on **Friday 15 May** with interviews scheduled for **Tuesday 19 and Wednesday 20 May 2026**.

All applicants are actively encouraged to make an arrangement to visit the school and to meet the Headmaster in advance of your application. Visits to the school can be made in the following ways:

Phone: 01625 422192 - speak to Mrs Heather Goodwin, PA to the Headmaster

Email: secretary@beechhallschool.org

Post: Beech Hall School, Beech Hall Drive, Macclesfield, Cheshire SK10 2EG
